Week 10 21 - 25 September

FRI Last day of Term 3 and Weird and Wacky Class Disco (details to come)

Students return to school for Term 4 on Monday 4 October

P & C Meetings and Canteen are on hold until further notice

2020 Cross Country Carnival

Congratulations to all participants on Friday's Cross Country Carnival. The day ran smoothly with only our senior students having to battle the weather during their race.

To maintain COVID compliance, the races were run in age groups, minimising the number of students waiting for events. This had an added benefit of students not getting bored waiting for races and therefore minimising the need for crowd control.

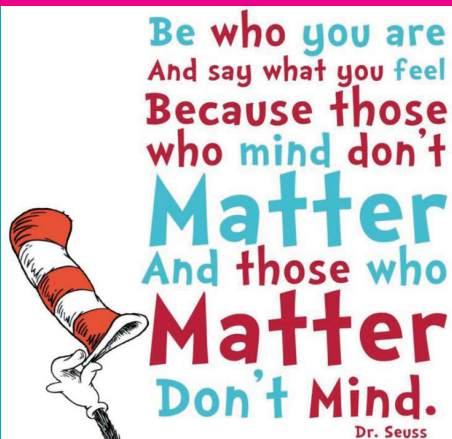

To the staff involved at the Woodburn Oval all day, I say a BIG thank you. These days are fun, but can be long.

Whilst we did need to initially postpone this event, we are thrilled to share an array of photos. Again, congratulations to all competitors for ensuring the day was a real success.

Further acknowledgement of place getters will occur next week. Ribbons were presented on the day to place getters and these students were able to take home their ribbons and surprise their families.

Go Woodburn!!!

Illness Update (Flu-like symptoms) Departmental Requirement

Please be reminded that students/staff who display flu-like symptoms should be kept home from school. Students/staff who present at school with such symptoms are to be sent home in accordance with COVID guidelines. When staff or students are absent from school due to flu-like symptoms, they can return when they are symptom free and a negative COVID test has been provided. Please ensure you explain student absences accurately, as reporting an illness to school to justify an absence may then necessitate you organising a COVID test for your child.

Welcome Mrs Simpson – Farewell Miss Manning

Last Friday, Miss Manning wrapped up her time with us and transitioned to leave prior to the arrival of her baby some time soon. Tegan has done a great job working with Year 4 in 2020.

Mrs Simpson has jumped on board this week and will teach the class until the end of the year. Welcome, Naomi!

Until next newsletter...

Public Speaking Competition

Congratulations to everyone who participated so enthusiastically in the Stages Two and Three Public Speaking competition for 2020. It was a tight contest with all finalists speaking succinctly and with purpose, conviction and expression. In the end, there were two finalists from each stage: Alma Paungreen & Rocky Lord (Stage Two) and Asger Paungreen & Jasper Rose (Stage Three). At this stage, due to COVID-19 restrictions, it is unclear

when the next level of competition will take place for these wonderful speakers, but details will be shared once they are known. Well done, students - a mammoth effort! For your information, public speaking for our younger students will be taking place over the next week. Stay tuned for some champion little speakers!

Deisha Rose

Public Speaking Coordinator
