Week 7 Intensive Swimming Scheme

Please have all notes & monies handed in for nominated students in Week 6.

**Next P&C Meeting
 Monday 3 December
 6:30pm in the
 staffroom. All welcome!**

Shane's Stuff

We are hastily approaching the mid-point of Term 4 and the pace of school life remains frantic. Each and every day we see students shining and making positive progress in many and varied ways. Hopefully our school reports can capture some of this information, but often there are successes in schools that do not fit our student reports. These things include our students who are now playing games successfully with friends, developing abilities to share and take turns, and students who are doing extra jobs around the school to demonstrate their levels of responsibility and leadership. The same can be said for staff. Along with quality teaching and learning, there are many little successes that go unnoticed or can seem inconsequential, however in the bigger picture are supporting the successes of our school. I applaud the efforts of all and trust that we can maintain this progress as we bring the 2018 school year to an end.

Friday's Colour Run

The P&C are holding a BBQ and Colour Run this coming Friday commencing at 1:40pm. Whilst there is an element of fundraising available, it is NOT a requirement. The Colour Run is inclusive of all students who to participate. Families are also invited along to share a sausage sandwich and watch the festivities. Whilst last year's event did not get students as colourful as we expected, this year might. Students are encouraged to bring along some light coloured clothing to wear during the colour fun run. Students who are going home with parents (or other suitable travel options) may stay in those clothes, however students travelling by bus may need to change depending upon how wet and/or colourful they may become.

Book Fair

Thank you to the families who have accessed this year's Book Fair. We hope the selection of books on offer were suitable to

the interests of both students and families.

2019 Enrolments

Wow, at this stage numbers are looking positive for 2019 and we may need to close our books for any further out-of-area enrolments. This is a wonderful space to be in, where interest in attending our school has us reaching enrolment numbers that we have not previously reached in or time as "Woodburn Public School". As a school we remain committed to doing all we can to ensure 'all students are known, valued and cared for', knowing that achieving this goal means working with students at individual levels to develop their academic, social, emotional and behaviour skills. There are so many things in schools that require differentiation, tolerance, understanding and encouragement. As a school community (staff, students and parents) the efforts of all are contributing to our success.

Term 4 Coming Events

Week 5:

Friday 16 November - P&C Colour Fun Run

Week 6:

Tuesday 20 November - Kindy O Day 3 (9:25 - 11:30am)

Until next newsletter...

2018 COLOUR SPECTACULAR FUN RUN !

On Friday 16 November we will be having our Colour Spectacular Fun Run. Starting at 1:40pm with a sausage sizzle sponsored by the P&C and the run will start at 2pm. The Rural Fire Service will be there to add to the excitement ☺

Helpers are in need to throw powder at the kids so if you are available please contact a P&C member. We would very much appreciate your help ☺.

Some important notes to remember are:

- White t-shirts are to be worn to school on the day.
- A change of clothes must be brought to school if you are catching the bus home.
- Every student can participate whether they are fundraising or not.
- If choosing a prize please make it clear to read.
- Books are to be returned by Tuesday 20 Nov.
- And most importantly.... HAVE FUN!

On October 31st Dad and I flew to Sydney for State High Jump. We had an early flight so we were able to spend the day checking out some of Sydney.

We walked to the Powerhouse Museum where I saw a cool Space Exhibition. We caught a bus out to Bondi Beach. I was so excited to be on Bondi Beach where Bondi Rescue is filmed, as this is my favourite TV show. We got a photo in front of the lifeguard tower and had a swim.

The next day we got up early, I put on my North Coast Athletics uniform and we walked over to Olympic Stadium. The whole North Coast team sat together, everywhere I looked there was athletes.

I got to practice at the athletics centre. The synthetic track was so weird and made it feel hard to jump. When it came my time to do a proper high jump I went out and tried my best. I hit the bar on a couple of try's but I was able to clear it in the end. I managed to get to 130cm but just missed clearing it. I was the best high jumper on the North Coast team, and came 22nd out of 41 boys at State. The whole experience was really fun.
